

Current statement on coronavirus

Dear Sir or Madam,

due to the current situation because of the coronavirus, we would like to inform you as follows:

AAT-FREEZING works as far as possible without restrictions and with the usual care. However, it is important to note that the ability to deliver as well as the provision of services in consideration of the high security levels of all countries is currently only possible to a limited extent.

In the current situation the well-being of our customers as well as our employees and their families is more than ever in the first place. For this reason, many employees work from home, but contact with suppliers, customers and partners is still unrestricted via telephone and e-mail.

AAT carries out a daily risk assessment and new measures are taken if necessary. Therefore, due to the acute situation around the coronavirus, further restrictions ordered by the authorities may still be necessary. Should this be the case, we will of course inform you as soon as possible.

You can reach us as usual by e-mail at aat-freezing@aat.at and by phone at +43 2622 75224 54.

We wish you all the best in the coming weeks and stay healthy.

With kind regards,

AAT-FREEZING
